What is an Art Ninja?

The answer is far too classified to disclose! One thing is for certain: campers will embark upon daily missions filled with adventure, innovation, and intrigue!

What will an Art Ninja do?

Here are a few hints: unlock the secrets of MASS MoCA's exhibitions, fabricate art, embrace creative genius, and train brains with art, yoga, and reflection. Each camp includes an off-site field trip, and concludes Art Ninjas style with a closing art ceremony for campers and families.

How does an Art Ninja become a Master?

For every Art Ninjas Camp attended, campers earn a stripe on their Art Ninjas Belt. After attending 6 camps, campers earn their black belt.

MAGIC

August 7–11

Ninjas convene to master the techniques of the great art wizards. Concoct enchanting potions, create magic wands, and craft spell books. Remember, this camp is Muggle-free.

COLOR

August 14–18

Bend your mind with color and light—you'll see things you didn't know were possible. We'll make shaving cream prints, stained glass sun-catchers, and light-up sculptures.

PLAY

August 21–25

Ready, set, action! In this performing arts week, construct your own musical instruments, play improv games, and groove to the beat of your own drum.

COURAGE

August 28–September 1*

Ninjas demonstrate your bravery! Do you dare to climb a mountain or journey through a tunnel? Inspired by Kidspace's *Cavernous*, prepare to explore local history, get to know your neighbors, and test yourself in fun art challenges.

*Please check your child's school calendar before registering for this camp week.
