#### ABOUT MASS MoCA

MASS MoCA is one of the world's liveliest centers for making and enjoying today's most evocative art. With vast galleries and a stunning collection of indoor and outdoor performing arts venues, MASS MoCA embraces all forms of art: music, sculpture, dance, film, painting, photography, theater, and new boundary-crossing works of art that defy easy classification. Much of the work we show in our light-filled spaces and on our technically sophisticated stages is made here during extended fabrication and rehearsal residencies that bring hundreds of the world's most brilliant and innovative artists to North Adams year-round.

Come celebrate with us as we toast a blockbuster year and raise support for our artist residencies and new commissioned installations.
