Since opening in 1999, MASS MoCA has helped spark the growth of a vibrant creative economy in Berkshire County. Demonstrate your company's commitment to the arts while supporting regional economic development by becoming a corporate member. Corporate contributions allow us to create an active workshop to support budding artists and new art. In return for your generous support, you enjoy free gallery admission, priority access to new exhibitions, invitations to special events, discounts at our stores, and group tours. Corporate affiliate members have the opportunity to host parties and events in a variety of spectacular museum spaces (catering and other party costs not included).

Corporate cards are a convenient way to provide your employees, clients, and guests with special access to MASS MoCA. Corporate cards are a benefit of all levels of corporate membership levels; the number of available cards depends on the membership level. The cards are fully transferable, and companies may distribute them at their discretion.
