NORTH ADAMS, MASSACHUSETTS — Born out of indie pop and outsider music, **Car Seat Headrest** has evolved from the lo-fi homespun solo project of Will Toledo to a four-piece outfit generating intricate masterworks of pop music, drawing comparisons to everyone from the Beach Boys to Pavement. See The Internet's finest IRL, when Car Seat Headrest combines forces with **Naked Giants** for a night of postmodern punk, enigmatic witticisms, and irresistibly head-banging tunes **Friday, February 15, at 8pm.**

“They are the kinds of perfect, instantly familiar pop songs that echo in the background of your dreams.” — The New Yorker

This electrifying live band has been the road for the past month playing grandiose, sold-out shows in support of the recently released *Twin Fantasy*, the re-recorded and re-imagined return to the group's 2011 Bandcamp classic. Full of “gleaming, raging alt-rock grandeur” dubbed “a triumph” by *Pitchfork*, this remastered version, previously only available physically as a Record Store Day exclusive, will now be available on all digital services on November 2nd and on vinyl on November 9th. Car Seat Headrest kicks off a run of headline tour dates in February 2019, with a stop at MASS MoCA February 15.
