# CONSTELLATION CREATIONS

Splatter paint to create your own galaxy, inspired by Spencer Finch's *Cosmic Latte*.

## MATERIALS

Black paper  
White paint  
Paintbrush or toothbrush  
Oil pastels  
Ruler  
Shiny paper  
Glue stick  
Scissors

## INSTRUCTIONS

- 1 Cover your work space with newspaper. Lay your black paper over the newspaper.
- 2 Dip your brush into the white paint, and use your thumb to splatter the paint onto the paper. Let the paint dry.
- 3 Add stars and planets using any materials you have at home. Shiny paper or tin foil, oil pastels, and collage paper will all work well.
- 4 Use a ruler and a white pencil to connect the stars to create your own constellations!
