North Adams, MA, March 31, 2022 — FreshGrass, MASS MoCA's annual three-day festival of bluegrass and progressive roots music, announces the initial 2022 lineup, featuring Gary Clark Jr., Old Crow Medicine Show, Trampled by Turtles, Yola, The Jerry Douglas Band, Aoife O'Donovan, Sierra Ferrell, Alison Brown, The Lil Smokies, Sierra Hull, Willie Watson, Luca Ciarla, Never Come Down, Misty Blues, California Bluegrass Reunion featuring Darol Anger, John Reischman, Bill Evans, Jim Nunally, Sharon Gilchrist & Chad Manning, and many more. Additional artists will be announced in the coming weeks.

“FreshGrass is a beloved tradition at MASS MoCA, with more than a decade of music and memories,” says MASS MoCA Director Kristy Edmunds. “The joy and care that go into creating this festival—from the world-premiere performances to the developmental workshops and awards—keep artists and audiences coming back year after year.”

FreshGrass features bluegrass traditionalists and innovators on four stages and platforms throughout the museum's 16-acre campus. Festival programming also includes FreshScores, a silent film with original live music; FreshGrass commissions and world premieres; instrument and industry workshops; pop-up performances and retail; and local Berkshire food and spirits vendors.

Workshops led by bluegrass veterans on the subjects of songwriting, producing, and music marketing will be offered. FreshGrass-owned *No Depression*—the quarterly journal for roots music and online roots music authority—sets up an eponymous stage in the festival's inner courtyard and Compass Records brings its pop-up record store back to the center of the festival.

FreshGrass nurtures emerging talent in the bluegrass field with its FreshGrass Awards, which grant up to \$20,000 in cash prizes and recording time at Compass Records studio in Nashville to unsigned talent. The annual award categories include band, banjo, guitar, and fiddle. Twelve finalists—three in each category—travel to the festival to perform for a panel of *No Depression* editors and artists. Finalists will perform throughout the weekend on pop-up stages and award winners in each of the four categories will earn a mainstage slot at the 2023 FreshGrass Festival. The FreshGrass Award prizes are funded by the FreshGrass Foundation, whose mission is to promote, produce, and create innovative grassroots music and support emerging artists.

"We are thrilled with this year's lineup," says producer and FreshGrass Foundation Director Chris Wadsworth. "It includes major artists who've never been here before, some old favorites, and plenty of Freshgrass surprises. This year's commissions are sure to break boundaries for us as well."

FreshGrass 2022 is sponsored by No Depression, Folk Alley, The Porches Inn at MASS MoCA, Compass Records, the American Roots Music Program at Berklee College of Music, Circle Strings, EASTMAN, Deering Banjo Company, Girardi Distributors, Berkshire Gas, Guido's Fresh Marketplace, and AccessPlus Communications.
