Wilco's beloved **Solid Sound Festival** takes place **June 28-30th at MASS MoCA in North Adams, MA**. Today, the festival releases the **daily lineups** and announces the addition of **Miracle Legion** to the music programming. **Three-day weekend passes are on sale now, and single day passes will go on sale Tuesday, February 20th at 12PM EST.**

Few festivals measure up to Solid Sound's diverse and surprising programming, and the 2024 lineup only certifies that commitment. This year's musical lineup features **Jason Isbell & The 400 Unit, Dry Cleaning, Nick Lowe & Los Straitjackets, Wednesday, Horsegirl, Ratboys, Water From Your Eyes**, and many more. As in festivals past, it would not be Solid Sound if it didn't feature multiple headline sets from **Wilco** alongside band members' various independent and solo projects. Additionally, Solid Sound continues to offer some of the most unique non-musical programming at any festival, like a live presentation of **Hrishikesh Hirway's** acclaimed **Song Exploder** podcast, **John Hodgman's Comedy Cabaret**, live painting from legend **Steve Keene**, and a variety of **Substack Pop-Up Interviews**.

From rock, jazz, indie, and experimental artists to screenprinting demos, pop-up record stores, children's programming and more, Solid Sound aims to delight the curious in the exceptional setting of MASS MoCA. The expansive galleries of the museum feature exhibitions from **Laurie Anderson, Osman Khan (opening May 2024), Elle Pérez, Amy Yoes**, and **Jason Moran**, alongside a 10-artist group exhibition, **Like Magic**, and beloved long-term loan exhibitions from **Louise Bourgeois, James Turrell, Anselm Kiefer, Sol Lewitt**, and more.

About MASS MoCA:

In May 2024, MASS MoCA will celebrate its 25th anniversary under its new Director, Kristy

Edmunds, not only as a contemporary art museum and performing arts venue, but also as a creative campus with a regional, national and global impact.

MASS MoCA is one of the world's liveliest centers for making and enjoying today's most evocative art. With vast galleries and a stunning collection of indoor and outdoor performing arts venues, MASS MoCA is able to embrace all forms of art: music, sculpture, dance, film, painting, photography, theater, and new, boundary-crossing works of art that defy easy classification. From its beginnings as the major textile mill Arnold Print Works in the mid-19th century, to its days as the Sprague Electric Company in the mid-20th century, to its current iteration as a globally renowned contemporary art museum and fabrication center, the 16-acre MASS MoCA campus has a rich history of serving as the economic engine of the city of North Adams and the surrounding region.
