**solid sound**

**Wilco's** beloved **Solid Sound Festival** takes place **June 26-28th at MASS MoCA in North Adams, MA**. Today, the festival, which is co-produced by **Higher Ground Presents**, releases the daily lineups. Three-day weekend passes are [on sale now](#), and single day passes will go on sale **Thursday, February 19th at 12PM EST**.

As in festivals past, it would not be Solid Sound if it didn't feature multiple headline sets from Wilco alongside band members' various independent and solo projects. And as previously announced, Friday night's set from Wilco will be a truly once-in-a-lifetime experience, with **Billy Bragg** joining the band to perform songs from *Mermaid Avenue*. This year's musical lineup also features **The Breeders, Gang of Four**, a solo set from Bragg, **S.G. Goodman, L'Rain, Ryan Davis & The Roadhouse Band, Sharp Pins, The Messthetics and James Brandon Lewis, Hannah Cohen**, and much more.

Additionally, Solid Sound continues to offer some of the most unique non-musical programming at any festival, like **John Hodgman's Comedy Cabaret** (which will include comedians **Jo Firestone, Demi Adejuyigbe, Jordan Klepper, and Joyelle Nicole Johnson**), poster silk screening demos with Ghost-Town, a screening of a new film about **Bob James** from **Mikael Jorgensen** and accompanying Q&A, yoga, nature hikes, and more to be announced.

From rock, jazz, indie, and experimental artists to screenprinting demos, pop-up record stores, children's programming and more, Solid Sound aims to delight the curious in the exceptional setting of MASS MoCA, a globally renowned, contemporary art museum and fabrication center. On view during the festival, in MASS MoCA's expansive galleries will be exhibitions by **Jeffrey Gibson, Jimena Sarno, Zora J Murff**, and its newest, expansive group show *Technologies of Relation* and more, alongside beloved long-term works from **Laurie Anderson, Louise Bourgeois, James Turrell, and Sol LeWitt**.

### **About MASS MoCA:**

MASS MoCA is a contemporary art museum that emphasizes bold creative exploration and fosters surprising connections between people every single day. It upholds artistic freedom and is an indispensable home for artists who stretch toward what has yet to be created. From its beginnings as the major textile mill Arnold Print Works in the mid-19th century, to its days as the Sprague Electric Company in the mid-20th century, to its current existence as a globally renowned, contemporary art museum and fabrication center, the MASS MoCA campus has a rich history of serving as an economic engine of the City of North Adams and the surrounding region. With vast galleries, artist studios and a variety of indoor and outdoor stages, MASS MoCA is able to embrace art in all forms.
